Sub-processors

Genkgo works with multiple subcontractors. Not all these subcontractors are sub-processors in the context of the General Data Protection Regulation (GDPR). The subcontractors below qualify as sub-processor. This means that they can in some way access personal data that Genkgo keeps for clients.

- Vboxx B.V. CoC 55105092. Vboxx is hosting provider for Genkgo and has access to our servers.
- Tozetta Nederland B.V., CoC 95257535. Tozetta is a security company and has authorization to access our servers in relation to the agreed tasks and services.
